SUPPLEMENTARY INFORMATION: On December 1, 2014, the Department of Commerce

(the Department) published the final results of the 2012-2013 administrative review of the

antidumping duty order on welded carbon steel standard pipe and tube products from Turkey.¹

The period of review (POR) is May 1, 2012, through April 30, 2013. In the Final Results, the

Department misspelled the name of a company on which the Department had initiated a review,²

companies that had no shipments, the Department intended to spell this company name as Toscelik Profil ve Sac Endustisi A.S. (i.e., without an “r” in the last full word of the name).

This correction to the final results of administrative review is issued and published in accordance with sections 751(h) and 777(i) of the Tariff Act of 1930, as amended.

Dated: January 9, 2015.
